NATIONAL RENAISSANCE PARTY
P. O. Box 10
New York, N. Y. 10024

January 1968

**AN URGENT REQUEST FROM JAMES H. MADOLE TO ALL MEMBERS AND
SUPPORTERS OF THE NRP:**

Dear Racial Comrades:

The National Renaissance Party won its greatest legal victory in July, 1967 - at which time, by a vote of six to one, the New York State Supreme Court recognized the NRP as a legitimate political party with both the right to pursue ballot status and the right to utilize public buildings for mass rallies. Hundreds of our members in the New York-New Jersey area will recall the many times we have rented private halls and studios only to have the owners cancel our meeting and refund our rental at the last minute. Many times our people travelled a long distance to exercise their right to "freedom of assembly" only to find the doors of the prospective meeting place slammed in their faces because fearful owners had been intimidated by threats of picket lines, personal violence directed against themselves or their property, or loss of business through boycott directed against restaurants or bars whose owners had dared to grant the NRP the right to meet on their premises.

We held our first major indoor rally in the last 4 years at PS 169, in the heart of Yorkville, on December 8, 1967. Some 100 faithful racial comrades attended this initial rally together with a mere 4 Jewish hecklers wearing Mashe Dayan eye patches. These idiots were promptly silenced and the meeting proceeded without any further disturbance with speeches by James Wagner, Commander of the uniformed Security Echelon (SE), Richard Bayer, a dynamic new NRP speaker, and myself, James H. Madole, as National Director of the NRP. An extremely stimulating question and answer period followed the meeting.

It is my intention to organize the American public into a potent force representing the interests of the White race in the United States. This could not be accomplished while our right to hold organizational rallies was prohibited through fear of private hall owners to rent us their facilities. Now that our right to peaceably assemble has been enforced by the courts, I intend to hold at least one mass rally each month. I further intend to distribute, both through the mail and on the public streets, at least 5000 announcements of each rally! These flyers will also be recruiting leaflets so that recipients may fill out coupons to either join the party or its militant fighting arm, the Security Echelon!

The proverbial "fly in the ointment" lies in the fact that users of public buildings may neither collect funds nor sell literature on the premises during the course of meetings. Each meeting costs us, including the fee payable to the New York Board of Education, cost of flyers and postage for mailing invitations, at least \$ 75 with no remuneration in the form of collections or book sales!

Unless we take advantage of this legal victory the White people of America can never be organized effectively. If we cannot speak to the public and present our viewpoint of Racial Nationalism for their careful appraisal and debate how can we expect to build an effective political mass Movement that can effectively compete with the entrenched Jewish Liberal Establishment?

We know that Communists, Negroes, and Jews rush to support their organizations whenever appeals for specific goals and purposes are mailed out. Will those who profess concern for the future of their White race do the same?

I can only plead with people in New York and New Jersey to attend our rallies and I urge every recipient of this letter who desires these meetings to bring masses of disenfranchised Whites into the organizational framework of the NRP to obey that patriotic impulse and send the largest contribution you can afford to promote the continuation of these rallies. The clipping below, taken from the June, 1967 issue of "CHALLENGE", organ of the pro-Maoist Progressive Labor Party, will show you the effectiveness of the young White fighters in my Security Echelon far better than any words of mine. Your contributions help build this white militia through mass rallies at which recruits are obtained.

Nazis Recruit White "Army" on West Side

The National Renaissance Party—a Nazi organization which follows the racist theories of Adolph Hitler—has started a recruiting drive to build a private army on the West Side. This group openly calls for violence and terror against Negroes and Jews in the community... with the ultimate goal of racial extermination.

A leaflet mailed from a West Side post office—and giving a West Side return address—calls on all "physically fit White Americans." It asks them to join the "Security Echelon (SE) or uniformed section of the NRP (which) is being organized to defend White neighborhoods from rampaging Black Mobs and to counteract the hordes of filthy

Jewish Beatniks, sexual deviates, and Communist organizers."

THE RACIST LEAFLET continues: "The blood-crazed hordes of Black revolutionaries must be beaten into the ground by thousands of young white men in the gray, black and gold uniforms of a militant white man's party.

A Black worker on the West Side was mailed the leaflet by mistake. Outraged, he called CHALLENGE.

"It is clear," he said, "that this Nazi recruitment is part of the government's plans to engineer race wars this summer. It fits in with the government's arming of white racists in Cleveland and other cities... and with the use of police helicopters to patrol the ghettos.

"If the government can stir up lynchings and race wars," he said, "then they will divert attention away from their war of genocide in Vietnam."

"I HOLD THE GOVERNMENT responsible for this leaflet," he ended. "The cops probably paid for it. And the leaflet only states openly what the government is already practicing in Vietnam."

CHALLENGE asked the opinion of several Latin American workers who are influential in the community. (The Nazis also consider Latin Americans a "slave race" and hence as targets of genocide.)

Said one worker, a Dominican: "The Nazis better think twice before coming into our neighborhood. We Dominicans know how to fight; we proved that in the 1964 revolution when we fought against the Nazi types in our own country."

AND ANOTHER LATIN-AMERICAN said, "The government tried to use the Cuban gusanos for the same purpose two years ago. Everyone remembers what happened at 109th St. and Columbus. Now the gusanos don't dare to show their faces around here."

"The Nazis," he predicted, "will have the same fate."

CHALLENGE interviewed an authority who has spent many years studying ultra-rightist groups. He pointed out that the National Renaissance Party, based in New York, is the most dangerous and serious of the Nazi groups in the U.S.

"WHAT MOST PEOPLE DON'T KNOW is that, in spite of its racism, it works in a united front with Harlem ultrafascist groups such as the African Universal Church and African Nationalism, Inc. In fact, the NRP once had a Black Brotherhood auxiliary."

WILL THESE FASCIST GROUPS be used to help stage-manage the government's race riots this summer?

(CUT ALONG DOTTED LINE)

Yes, Mr. Madole, I want to financially assist in the promotion of NRP meetings each month in public schools. I enclose my contribution of \$.....

NATIONAL RENAISSANCE PARTY SPONSORS "WHITE POWER" RALLY TO PROTEST THE ORGANIZED DISRUPTION OF THE AMERICAN EDUCATIONAL SYSTEM BY JEWISH AND NEGRO AGITATORS ! OUR WHITE PEOPLE MUST ACTIVELY OPPOSE THE CODDLING OF JEWISH AND NEGRO ANARCHISTS BY THE "HIPPIE MAYOR", JOHN LINDSAY !

Our Leader, James H. Madole, predicted in 1953, while speaking on the streets of Yorkville, that well-organized racial minorities would launch a revolution to overthrow the power of the White Man in the United States and Western Europe. Mr. Madole further predicted that a "democratic" form of government would be incapable of defending the lives, rights, and property of the White Americans because the political hacks representing the Democratic and Republican parties were dependent upon the Jewish and Negro vote to perpetuate themselves in Federal, State, and City Offices !

Education in the United States has been disrupted by two left-wing organizations, the Students for a Democratic Society and the League of Afro-American Collegians. Leaders of the SDS at Columbia University are two Jews, Mark Rudd and Lewis Cole. During the revolutionary takeover at Columbia by Rudd's Jewish Commandoes, Dean Grayson Kirk was seized and held captive on campus, furniture was completely demolished, university files were pillaged and burned, the bearded, unkempt Jew students repeatedly urinated on the floor of the Dean's office, and a Vietcong flag was run up on the Columbia Law Building. After New York Police had to drag hundreds of screaming Jews from behind barriers constructed from wrecked university furniture and haul them off in "paddy wagons", New York's "Hippie Mayor" John Lindsay accused his own Police of brutality against the rebellious Jewish hordes and demanded an investigation of the proceedings ! Simultaneously in Paris, France, the DeGaulle Government was being rocked by students riots and a "workers strike" led by a young German Jewish Agitator, Daniel Cohn-Bendit ! Police activities in opposition to revolutionary activity on the university campus or to outright Black insurrections within American cities have been persistently hampered by American politicians, the accursed product of "democratic" government, who fear a loss of Jewish and Negro votes.

At approximately 6:50 P.M. the rented sound truck pulled up to the location and stopped. The driver looked at the crowd of approximately 200 spectators, the police barricades and approximately fifty police officers. Without making contact with James Madole or any other NRP member the driver drove the truck away.

Madole upon seeing the sound truck depart called off the street meeting.

The NRP members then took cabs to the NRP Headquarters.

No incidents or arrests took place.

NATIONAL RENAISSANCE PARTY SPONSORS OPEN AIR "WHITE POWER" RALLY IN
 YORKVILLE ON SATURDAY EVENING, AUGUST 3rd !
 FIGHT BLACK ANARCHY AND RESTORE WHITE SUPREMACY !
 HELP FORM A WHITE MILITIA TO PROTECT YOUR NEIGHBORHOODS !

...holding the threat of arson, looting, and mass insurrection over the heads of cowardly
 American politicians BLACK RADICALS have managed to extort billions of Dollars in the
 form of political blackmail from productive white taxpayers. Although the USA has become
 a virtual garrison state with vast armies of police and National Guard units, the effect is
 nullified by political prostitutes who emasculate our defense forces to gain favor with Black
 leaders. Major General Archibald Sproul (the last commander of the 29th Infantry Division
 Virginia and Maryland) resigned his National Guard commission with the following state-
 ment: "Our soldiers were not only told that they could not load their weapons, but they were
 told that they could not even use their rifles as clubs to protect themselves or stop looting."
 Police officers seeking to protect White urban dwellers have been censured or even placed on
 trial by petty political hacks for interfering with Black looters and arsonists! By means of
 "democracy" poor, stupid "Whitey" will vote himself out of existence unless strong leader-
 ship tears out the cancer of effeminate liberalism which is eating at the vitals of our national
 neighborhood. The National Renaissance Party offers solutions to 20th century American problems.
TIME AND PLACE OF THE NRP OPEN AIR RALLY IN YORKVILLE:

...urge those White people who are disgusted with an American government that orders busi-
 ness firms having contracts with government agencies to hire BLACKS and fire WHITES, which
 leaves completely incapable of maintaining law, order, and discipline where Jews and Negroes
 are concerned, which betrays our young fighters in Vietnam by crawling to a Peace Conference
 in Paris to appease a pack of whining Jew "peace creeps" on the home front, to
ATTEND THIS NRP OPEN AIR RALLY ON:

Saturday Evening, August 3rd (between 7 PM and 10 PM)

On the Corner of York Avenue and 84th Street in New York City.

Please come and bring all your Friends to demand "Civil Rights for Whites"

Don't wait until they BURN YOUR HOME !

SPEAKERS WILL BE:

- 1) James H. Madole, Leader of the N R P.
- 2) Richard Bayer, a dynamic NRP Speaker.
- 3) Louis Mostaccio, A fiery Member of the NRP uniform-Corps.

APPENDIX

1.

NATIONAL RENAISSANCE PARTY (NRP)

On July 20, 1967, a source advised that the National Renaissance Party (NRP) was founded in 1949, by JAMES H. MADOLE, who continues to serve as its National Director and is in complete control of the NRP.

The source further stated that the NRP has its headquarters in the residence of JAMES H. MADOLE at 10 West 90th Street, New York, New York. Weekly meetings are held at this location on Thursday evenings.

The source described the NRP as an anti-Negro, anti-Semitic and neo-Fascist organization.

This source stated on July 28, 1966, that JAMES H. MADOLE, as of October, 1965, distributed a printed "program of the NRP", which program had as its announced purpose the establishment of a "Racial Nationalist State". According to the program, this would be accomplished by calling a Constitutional Convention to ratify the necessary amendments to the United States Constitution in order to carry out the NRP program for the establishment of a "Racial Nationalist State".

This source further advised that as of July 28, 1966, this "program of the NRP" remains in effect and that the anti-Negro and anti-Semitic nature of the NRP is exemplified by the following excerpts from this program:

1. Enact and rigidly enforce legislation to restrict the benefits of American citizenship to mentally and genetically sound members of the Caucasian race.
2. Enact legislation to prohibit intermarriage between white and non-whites.

APPENDIX (CONTINUED)

2.

NATIONAL RENAISSANCE PARTY (CONTINUED)

3. The Jewish race shall be deprived by suitable legislation of their American citizenship and shall henceforth be prohibited from holding any professional, political or educational posts within the Racial Nationalist State. The Jew constitutes an alien virus in our national bloodstream and, as such, he must be purged from our cultural, economic, and political life.
4. Enact legislation to hasten the repatriation of American Negroes to the newly independent black nations on the African continent under the auspices and guidance of black nationalist leadership in the United States.
5. The establishment of a selective immigration policy whose primary purpose is to attract the best European racial stock to the North American Continent in order to utilize their vast energy and talent in the task of creating a dynamic, expanding White Empire capable of withstanding the encroachments of the primitive, colored world led by the Oriental colossus, Red China.

The first speaker when the meeting started at 8:00 pm was JIM WAGNER. He tried to speak about the SE. He was drowned out completely by the noises made by about fifteen Jewish youths sitting in one of the rows.

The second speaker was MADOLE. He tried to speak about the Jewish influences on the world and the nation. He was also drowned out completely by the Jews.

The third speaker was LOUIS MOSTACCIO. He tried to speak on how the white race must stand up and fight for itself. He was also drowned out by the Jews. The Jews were led by the Jewish lawyer who is at every meeting of the NRP. She told them when to set up a cheer or what to say, in some cases.

b6
b7C

[REDACTED] The lawyer tried to take a photograph of [REDACTED] [REDACTED] told her that she should not take her pictures. She took the picture, anyway. [REDACTED] knocked the camera from her hand. She ordered a policeman to arrest him on an assault charge. [REDACTED] in turn, asked the policeman to arrest her on an invasion of privacy charge. The officer took both of them to the police station in order to get their complaints. Later, they appeared back at the meeting.

NY 105-6112

There were about forty people in the audience. About one third were favorable to the NRP as evidenced by their cheers when the NRP speakers made a point that could be heard over the din.

The meeting ended at ten p.m.

Approximately 10 members of the NRP attended the WALLACE rally July 13 at the Park Sheraton. Among those attending were MADOLE, MOSTACCIO, [REDACTED] POTOWSKI [REDACTED]

There were a good number of conservative party members present including [REDACTED]

Also present were a number of YAF members who also are officers of Youth for Wallace, [REDACTED] and [REDACTED] who passed a fund raising bucket around the room. Other YAFers were [REDACTED] and [REDACTED] who has recently gotten a job with [REDACTED]

After the rally members of the NRP distributed the attached leaflets outside the 7th Ave entrance.

[REDACTED] an NRP supporter distributed the attached flyer "TRUD!" outside the lobby.

A QUESTION OF GRIM REALITY FOR WHITE PEOPLE AMERICA - WILL AMERICAN POLITICIANS SAFEGUARD YOUR LIVES, FAMILIES, AND POSSESSIONS AGAINST RAM-PAGING BLACK ANARCHISTS OR IS A STRONGER FORM OF GOVERNMENT NECESSARY FOR WHITE SURVIVAL ?

PHILADELPHIA, USA - 1964. This could be your city in flames.

By holding the threat of arson, looting, and mass insurrection over the heads of cowardly American politicians BLACK RADICALS have managed to extort billions of Dollars in the form of political blackmail from productive white taxpayers. Although the USA has become a virtual garrison state with vast armies of police and National Guard units, the effect is nullified by political prostitutes who emasculate our defense forces to gain favor with Black voters. Major General Archibald Sproul (the last commander of the 29th Infantry Division of Virginia and Maryland) resigned his National Guard commission with the following statement: "Our soldiers were not only told that they could not load their weapons, but they were told that they could not even use their rifles as clubs to protect themselves or stop looting." Police officers seeking to protect White urban dwellers have been censured or even placed on trial by petty political hacks for interfering with Black looters and arsonists! By means of "democracy" poor, stupid "Whitey" will vote himself out of existence unless strong leadership tears out the cancer of effeminate liberalism which is eating at the vitals of our national manhood. The National Renaissance Party offers solutions to 20th century American problems. Write for free information or subscribe to our "National Renaissance Bulletin", (\$ 3.00 per 12 issues).

Some of the ten commandments of the SE are:

The leaders are always right.

Obey your leaders unless you have been previously told to infiltrate a left wing group and you talk against the NRP to the left wingers.

You must give up your present way of life and dedicate your entire life and being to the ideals of the NRP.

NATIONAL RENAISSANCE PARTY SPONSORS "WHITE POWER" RALLY TO PROTEST
THE ORGANIZED DISRUPTION OF THE AMERICAN EDUCATIONAL SYSTEM BY JEWISH
AND NEGRO AGITATORS ! OUR WHITE PEOPLE MUST ACTIVELY OPPOSE THE COD-
DLING OF JEWISH AND NEGRO ANARCHISTS BY THE "HIPPIE MAYOR", JOHN LINDSAY !

Our Leader, James H. Madole, predicted in 1953, while speaking on the streets of Yorkville, that well-organized racial minorities would launch a revolution to overthrow the power of the White Man in the United States and Western Europe. Mr. Madole further predicted that a "democratic" form of government would be incapable of defending the lives, rights, and property of the White Americans because the political hacks representing the Democratic and Republican parties were dependent upon the Jewish and Negro vote to perpetuate themselves in Federal, State, and City Offices !

Education in the United States has been disrupted by two left-wing organizations, the Students for a Democratic Society and the League of Afro-American Collegians. Leaders of the SDS at Columbia University are two Jews, Mark Rudd and Lewis Cole. During the revolutionary takeover at Columbia by Rudd's Jewish Commandoes, Dean Grayson Kirk was seized and held captive on campus, furniture was completely demolished, university files were pillaged and burned, the bearded, unkempt Jew students repeatedly urinated on the floor of the Dean's office, and a Vietcong flag was run up on the Columbia Law Building. After New York Police had to drag hundreds of screaming Jews from behind barriers constructed from wrecked university furniture and haul them off in "paddy wagons", New York's "Hippie Mayor" John Lindsay accused his own Police of brutality against the rebellious Jewish hordes and demanded an investigation of the proceedings ! Simultaneously in Paris, France, the DeGaulle Government was being rocked by students riots and a "workers strike" led by a young German Jewish Agitator, Daniel Cohn-Bendit ! Police activities in opposition to revolutionary activity on the university campus or to outright Black insurrections within American cities have been persistently hampered by American politicians, the accursed product of "democratic" government, who fear a loss of Jewish and Negro votes.

DETAILS:

I. ORGANIZATIONAL STRUCTURE

A. Headquarters

The "National Renaissance Bulletin," Volume 19, Numbers 1, 2 and 3, January, February and March, 1968, reflects ~~the headquarters~~ of the National Renaissance Party (NRP) to be at 10 West 90th Street, New York, New York, Apartment 8, 4th Floor.

A characterization of the NRP is contained in the appendix attached hereto.

B. Officers

JAMES H. MADOLE, founder of the NRP, continues to serve as National Director and HENRY S. POTWOROWSKI serves as the National Secretary.

NY T-1
September 20, 1968.

C. Objectives

On June 7, 1968, NY T-2 furnished a copy of a National Renaissance Bulletin dated January, 1968 captioned "An Urgent Request From James H. Madole To All Members and Supporters of the NRP", which reflects in part as follows:

"The National Renaissance Party won its greatest legal victory in July, 1967 at which time by a vote of 6 to 1, the New York State Supreme Court recognized the NRP as a legitimate political party with both the right to pursue ballot status and the right to utilize public buildings for mass rallies. Hundreds of our members in the New York - New Jersey area will recall the many times we have rented private halls and studios only to have the owners cancel our meeting and return our rental at the last minute...

NY 105-6112

"...We held our first major indoor rally in the last four years at PS 169, in the heart of Yorkville, on December 8, 1967. Some one hundred faithful racial comrades attended this initial rally together with a mere four Jewish hecklers wearing Mashe Dyan eye patches. These idiots were promptly silenced and the meeting proceeded without any further disturbance with speeches by James Wagner, Commander of the Uniformed Security Echelon (SE), Richard Bayer, a dynamic new NRP speaker and myself James H. Madole, as National Director of the NRP...

"...It is my intention to organize the American public into a potent force representing the interests of the white race in the United States...Now that our right to peaceably assemble has been enforced by the courts, I intend to hold at least one mass rally each month. I further intend to distribute, both through the mail and on the public streets at least 5,000 announcements of each rally! These flyers will also be recruiting leaflets so that recipients may fill out coupons to either join the party or its militant fighting arm, the Security Echelon!"

On March 1, 1968, JAMES H. MADOLE was interviewed by Special Agents (SAs) of the Federal Bureau of Investigation (FBI). [redacted] and [redacted] at NRP Headquarters, New York City. MADOLE stated in part, he will continue his activities as in the past such as distribution of NRP literature, street rallies, counter-demonstrations etcetera, as long as he feels that he can act as an effective counter-measure to "communist and communist inspired activities".

b6
b7c

He stated there is no question in his mind that the current JOHNSON administration is playing right into the hands of the United States enemies with its continued policies of operations in Vietnam. The American people according to MADOLE are "fed up and disillusioned with heavy tax burdens to support the 'Welfare state' in this country". He does not have to exert himself to gain support and members for the NRP because the continued lack of confidence the people show in the JOHNSON administration and what it stands for plays right into his hands. He merely has to sit by and wait until the day dawns when the NRP philosophy of less government control of business, proper waging of the Vietnam war and return of America to the prominent position it deserves in this world is achieved.

NY 105-6112

MADOLE said the white people of this country are becoming increasingly alarmed over the cries "Black Power" and violent exhortations of such individuals as RAP BROWN and STOKLEY CARMICHAEL. The people who built this country are not going to sit back and watch it being destroyed by irresponsible black hoards.

He concluded by stating that he is certain his organization the NRP will grow in membership and importance and in future years will become a decisive political power in this country, attracting those individuals who have become disillusioned with the socialist theories adopted by both major political parties. According to MADOLE the NRP will be the only organization of a political nature offering a choice to the voter.

The masthead of the "National Renaissance Bulletin," supra, reflects the NRP to be "a political party devoted to the restoration of the American Republic, the preservation of American sovereignty and the establishment of an American regime based on the principles of racial nationalism and social justice".

D. Membership

Membership in the NRP is granted upon the payment of \$1.00 for which a membership card is issued.

Membership in the SE is gained after making out an application, signing a loyalty oath and being sworn in.

NY T-1
September 20, 1968.

The "National Renaissance Bulletin," Volume 19, page 9, reflects "A Vital Message To All Members Of The National Renaissance Party".

NY 105-6112

"The members of the NRP's SECURITY ECHELON (the party's uniformed White Militia) have been distributing thousands of informative leaflets in such areas of New York City as Ridgewood, Glendale, Pelham Bay, South Ferry, Yorkville, and Little Slovakia as well as carrying out their duty as banner bearers and guards at outdoor and indoor rallies of the party. Many young men and women has filed applications to join this militant organization but they balk at coming to party headquarters for an interview with party officers. Obviously we must meet potential SE members since they are destined to be advanced in the movement as party activists.

"It is only necessary for these people to visit Mr. Madole, our Leader, on a THURSDAY EVENING of any week at 7:30 PM, at 10 West 90th Street, New York City, (Apt. #8, 4th Floor). There are no squads of thugs or armed guards standing about with billy clubs as some timorous souls told us they expected.

"Upon arrival you will be treated to a pleasant, sociable evening with like-minded people and refreshments will be served. This is an open invitation to those who would like to make inquiry about joining the SE or helping advance the party's work to JOIN US ON ANY THURSDAY EVENING."

E. Security Echelon

Members of the SE are JOHN RYAN, LOUIS MOSTACCIO, [redacted] and [redacted]

[redacted] The leader of the SE was [redacted] however, he has not attended NRP affairs for the past couple of months.

b6
b7C

NY T-1
September 20, 1968.

A leaflet being distributed in New York City, during March, 1968 was captioned "Are You Rugged Enough?" This leaflet reflected in part "The National Renaissance Party, which has the reputation of a direct action organization rather than a debating society or a right-wing letter writers club, is addressing this recruitment leaflet to every

physically fit white American between the ages of 16 and 40. The SE or Uniformed Section of the NRP, is being organized to defend white neighborhoods from rampaging Black Mobs and to counter-act the hoards of filthy Jewish beatniks, sexual deviates and communist organizers whose 'peace parades' in all major American cities are stabbing our heroic fighters in Vietnam between the shoulder blades....

"...Only uniformed masses of young WHITE PATRIOTS can hope to achieve the unity of purpose to force our politicians to mend their traitorous ways. Apply for an interview to join the Security Echelon of the NRP. Our leader James H. Madole calls on you to forget useless conservatism and heed the call of blood and race".

This leaflet contained an application to be submitted in which the individual could indicate his interest in joining the SE and "fighting actively for the white race or to join the SE and become a non-uniform wearing member of the NRP".

II. LOCAL CHAPTERS

On May 21, 1968, it was learned that LEWIS B. MOSTACCIO and [redacted] have been instructed to form a chapter of the NRP on Staten Island, New York.

C. School Meetings

NRP school meetings were held at PS 169, 113 East 87th Street, New York City, on February 2, March 22, April 26, and June 14, 1968. The activities which took place at these meetings are as follows:

On February 2, 1968, [REDACTED] spoke about the SE, stating that they are good white Americans who do not want drug addicts or hippies. The main purpose of the SE is to get out in the streets and get word to people about how the Negroes and Jews are ruining America and if it is to be saved, white men must stick together.

b6
b7C

[REDACTED] stated that the Jews do not want the Vietnam war to end because they would lose billions of dollars a year in Government contracts. The third speaker, [REDACTED] stated "there is no such thing as a Jew." They are Nomads who stole land from the Arabs and call it Israel. They are a bunch of long nosed, kinky hair, ugly creatures."

During MADOLE's speech, he stated he respects North Vietnam because they are fighting for their own land. We had no right or reason to be there in the first place. He does not expect the black man to fight for America just as black men could not expect white men to fight for Africa. The Negroes obviously do not love America and would be better off in Africa where he belongs.

NY 105-6112

A woman in the audience stood up and denounced MADOLE as one who was against the American Indian. She said MADOLE did not give a damn about America. While she shouted, MADOLE smiled and said "I don't hear anything. Some people have big mouths, but I don't hear nothin."

NY T-5
February 2, 1968.

NY 105-6112

On March 25, 1968, NY T-6 advised that before the meeting at PS 169 on March 22, 1968, approximately 140 Jewish War Veterans milled around the entrance to discourage people from entering the meeting. The audience consisted of approximately 40 persons. The meeting began at 7:30 pm, and lasted until 10:00 pm. JAMES MADOLE stated during his speech that the government wants employers to hire unskilled Negroes and fire skilled whites. Police forces are being handcuffed so they are not allowed to stop riots by "lawless Blacks". Jews want control of the world finances and are using Negroes for this end. Negroes, however, will kill the Jews first when they try to take over.

On March 23, 1968, NY T-3 advised at the above meeting the Jewish War Veterans left shortly after MADOLE started speaking. During MADOLE's speech, he spoke against Jewish organizations which control this country, and criticized the United States (US) Government for policies dictated by such organizations which policies can only serve to destroy the position of the US as a world power.

On March 25, 1968, NY T-7 advised that at the above school meeting National Broadcasting Company (NBC) Television crews were on the scene and a very drunk unknown man demanded that the television crews stop taking photographs of the Jewish people in the audience. The man was arrested when he struggled with members of the New York City Police Department (NYCPD) who attempted to eject him from the hall.

On March 27, 1967, [redacted] Bureau of Special Services (BSS, NYCPD) advised that the man arrested at the NRP meeting at PS 169 on March 22, 1968, was [redacted] residence [redacted] was charged with disturbing the peace and is not known to be a member of the NRP.

b6
b7C

NY 105-6112

On April 26, 1968, NY T-6 advised that at the school meeting that date which began at 7:30 pm, and ended at 10:15 pm, approximately 60 persons were in the audience. JAMES MADOLE spoke about the responsibility of all young white men to join the SE and fight Communism and for the white race.

The [] of the meeting was [] who did not speak.

b6
b7C

[] did not speak because there were four Jews in the audience who kept yelling at him and he spent his time attempting to answer them. He called the Jews traitors and Communists, stating they have only one God - money, and have loyalty to one country - Israel. They have no need for Negroes and use Negroes to help obtain power in the government.

During the speech by MADOLE he stated that no country on earth will tolerate the Jews the way the US does.

If Negroes could take over they would kill off the Jews faster than anyone because they know the Jews are responsible for the sorry state the Negro is in. He said the Jews use Negroes to create riots which enable Jews to come to power by promising the Negro more money, jobs, and welfare if Jews are elected to office.

On April 29, 1968, NY T-8 advised that at the school meeting on April 26, 1968, there were numerous arguments among the audience. During the speech by MADOLE he stated that MARTIN LUTHER KING was a Communist. Jewish publications were responsible for the "no win war". Jewish leaders such as BENJAMIN SPOCK were responsible for defection of American soldiers because of agitation on the home front.

NY 105-6112

On June 14, 1968, NY T-6 advised that at the school meeting that day, the audience consisted of approximately 40 persons for the meeting which lasted from 8:00 pm, to 10:00 pm. Speaker number one was [redacted] who tried to speak about the SE. The second speaker, JAMES MADOLE, tried to speak about Jewish influences on the world and the nation. LOUIS MOSTACCIO tried to speak about how the white race must stand up and fight for itself.

b6
b7c

About 15 Jewish youths led by a "Jewish lawyer" made so much noise they drowned out the speakers.

The lawyer tried to take a photograph of [redacted] who knocked the camera out of her hand. She ordered a policeman to arrest [redacted] on an assault charge. [redacted] requested the policeman to arrest her on an invasion of privacy charge. Both were taken to the police precinct. Later they appeared back at the meeting.

On June 17, 1968, NY T-9 advised that at the school meeting on June 14, 1968, there were approximately 50 persons present which included 20 NRP supporters and 30 hecklers. The entire meeting seemed to be a shouting match between the supporters and the hecklers, with most of the supporters hurling anti-Semitic comments, and the audience responding with similar anti-Nazi remarks. Approximately 10 New York City Policemen were present throughout the meeting to maintain order. Among those present was [redacted] who follows the activities of extreme Right-Wing and Left-Wing groups.

MADOLE announced that the next NRP school meeting would probably be held in late September, 1968, when the public schools reopen in New York City.

D. NRP Outdoor Rallies

The NRP announced they would hold rallies in New York City, on August 3, and September 7, 1968. The following events transpired at these rallies:

NY 105-6112

On August 1, 1968, NY T-6 furnished a flyer announcing the NRP was sponsoring an open air "White Power" rally on August 3, 1968, at York Avenue and 84th Street, New York, New York, between 7:00 pm, and 10:00 pm.

On August 5, 1968, NY T-6 advised that approximately 10 NRP members were assembled on the corner of 84th Street and York Avenue in connection with the rally scheduled to be held on August 3, 1968.

At approximately 6:50 pm, the rented sound truck pulled up to the location and stopped. The driver looked at the crowd of approximately 200 spectators, the police barricades and approximately 50 police officers; without making contact with JAMES MADOLE or any other NRP member the driver drove the truck away.

MADOLE upon seeing the sound truck depart, called off the street meeting.

On September 9, 1968, NY T-3 advised that the NRP had a rally at 86th Street and Second Avenue, New York City, on September 7, 1968, from 8:00 pm, to 10:00 pm.

The principal speaker at the rally was JAMES MADOLE who delivered his usual anti-Semitic distribe. He received little attention except that he was pelted with eggs by some of the onlookers.

E. Literature Distribution

Literature distribution by members of the NRP took place in New York City, on the corners of 86th Street and Third Avenue, 86th Street and Lexington Avenue, Battery Park, and the Coliseum.

On February 2, 1968, NY T-8 advised that literature was distributed for the rally to be held at PS 169 on February 2, 1968.

NY 105-6112

On January 27, 1968, NY T-6 advised that 3,000 invitations to the PS 169 rally on February 2, 1968, were distributed at 86th Street and Lexington Avenue.

On March 3, 1968, NY T-6 advised that 1,500 recruiting leaflets for the SE were distributed on March 2, 1968, at the New York Coliseum Sports Show. Many favorable as well as unfavorable responses were received from persons who were given the leaflets. A Xerox copy is on page 26.

On March 19, 1968, NY T-6 advised that 2,500 invitations for the NRP school meeting to be held March 22, 1968, were distributed at 86th Street and Lexington Avenue.

On April 15, 1968, NY T-6 advised that literature for the school meeting to be held April 26, 1968, would be distributed on April 18 - 19, 1968.

On June 10, 1968, NY T-6 advised that on June 8, 1968, 2,000 invitations were distributed at 86th Street and Lexington Avenue, for the school meeting to be held June 14, 1968.

April 20 - 21, 1968

The object of the meeting was to consolidate the forces of the various Right-Wing groups throughout the country in order to fight the Jewish and Negro problems existing in the country today.

Some of the ideas proposed were the exchange of speakers and advertising with a list of Right-Wing organizations and immediate releases throughout the country of press releases concerning an issue that should be brought to the attention of the people of the US as soon as possible.

Four members of the NRP including JAMES H. MADOLE attended the convention.

A QUESTION GRIM REALITY FOR WHITE PEOPLE (AMERICA - WILL AMERICAN
POLITICIANS BE GUARD YOUR LIVES, FAMILIES, AND POSSESSIONS AGAINST RAM-
PAGING BLACK ANARCHISTS OR IS A STRONGER FORM OF GOVERNMENT NECESSARY
FOR WHITE SURVIVAL ?

PHILADELPHIA, USA - 1964. This could be your city in flames.

By holding the threat of arson, looting, and mass insurrection over the heads of cowardly American politicians BLACK RADICALS have managed to extort billions of Dollars in the form of political blackmail from productive white taxpayers. Although the USA has become a virtual garrison state with vast armies of police and National Guard units, the effect is nullified by political prostitutes who emasculate our defense forces to gain favor with Black voters. Major General Archibald Sproul (the last commander of the 29th Infantry Division of Virginia and Maryland) resigned his National Guard commission with the following statement: "Our soldiers were not only told that they could not load their weapons, but they were told that they could not even use their rifles as clubs to protect themselves or stop looting." Police officers seeking to protect White urban dwellers have been censured or even placed on trial by petty political hacks for interfering with Black looters and arsonists! By means of "democracy" poor, stupid "Whitey" will vote himself out of existence unless strong leadership tears out the cancer of effeminate liberalism which is eating at the vitals of our national manhood. The National Renaissance Party offers solutions to 20th century American problems. Write for free information or subscribe to our "National Renaissance Bulletin", (\$ 3.00 per 12 issues).

THE AMERICAN GOVERNMENT HAS PROVEN ITSELF TOTALLY INCOMPETENT TO HANDLE THE PROBLEM OF NEGROES WHO ARE HELL-BENT ON LOOTING, BURNING, AND KILLING THROUGHOUT THE ENTIRE BREADTH OF THE UNITED STATES. THESE POLITICAL HACKS, WHOSE ONLY CONCERN IS TO SECURE Jewish votes, HAVE ORDERED BOTH POLICE AND NATIONAL GUARDSMEN TO STAND BY WHILE LOOTING AND BURNING CONTINUE TO PROCEED TO THE POINT OF BURNING AND KILLING IN MINORITY CITIES!

THE WHITE MINORITY MUST STOP APPREHENDING BLACK TERRORISTS AND CRIMINALS AND DEFEND THEIR LIVES AND PROPERTIES!

The American government has proven itself totally incompetent to handle the problem of Negroes who are hell-bent on looting, burning, and killing throughout the entire breadth of the United States. These political hacks, whose only concern is to secure Jewish votes, have ordered both Police and National Guardsmen to stand by while looting and burning continue to proceed to the point of burning and killing in minority cities!

The simple White liberals even fly the American flag at half mast because Martin Luther King, a Black agitator who was enrolled in the Communist Highlander School in Monteagle, Tennessee, was finally gunned down by an enraged White man!

We wonder if American patriots have noticed that Jewish leaders such as Dr. David Greenglass, who are directly responsible for the betrayal of our soldiers in the hands of the Soviet Union, were among the first to demand immediate American intervention in Korea and against the Arab States? Thus Blacks are rewarded for their past and present loyalty by giving them billions of dollars collected from White taxpayers and now American soldiers are being ordered to take jobs from Whites and give them to unqualified Blacks!

How much longer will stupid "Whitey" support a government which rewards the loyalty of Blacks?

NATIONAL RENAISSANCE PARTY SPONSORS "WHITE POWER" RALLY IN YORKVILLE
TO PROTEST THE ANTI-WHITE KKK GOTRY OF PRESIDENT JOHNSON'S "RIOT-COM-
MISSION"!!

ATTEND THIS PATRIOTIC RALLY TO DEMAND "JOBS AND CIVIL RIGHTS" FOR THE
PRODUCTIVE WHITE ELEMENT OF AMERICAN SOCIETY !

The National Renaissance Party presents those White Americans who are fed up with
seeing our Police Force maligned and cursed by Black revolutionaries and the political
hacks (like New York City's "Klippy Mayor", John Lindsay, and Illinois Governor Kerner)
who are seeking Negro and Jewish votes at the expense of both the White taxpayers' pocket-
books and personal safety.

The program of racial integration in the fields of housing, education, and employment
demanded by LBJ's "Riot Control Commission" has led in the past to the complete
breakdown of the American educational system, the mass exodus of the productive White
population to suburbia leaving behind teeming masses of non-productive Black welfare and
relief cases, criminals, dope addicts, and rapists to terrorize the streets of all major
American cities. Those White children who cannot escape the big cities are forced into
daily contact with colored hoodlums whose deadly narcotics habits and low standards of
sexual morality rub off and eventually destroy the moral character of your White children.

We must teach our politicians that you cannot legislate equality between civilized Whites
and primitive Blacks ! The White population will not tolerate interference with Law
Enforcement Authorities by filthy political prostitutes who sell out their own racial
heritage in return for Negro and Jewish votes !

If you want to prevent further burning and looting in American Cities you must stand up
and be counted behind the NRP BANNER of "WHITE POWER" .

Attend this rally or prepare to lie down and let the Blacks kill your family without any
resistance. Don't leave it to the other fellow !

NATIONAL RENAISSANCE PARTY

On May 29, 1968, a source advised that the National Renaissance Party (NRP) was founded in 1949, by JAMES H. MADOLE, who continues to serve as its National Director and is in complete control of the NRP.

The source further stated that the NRP has its headquarters in the residence of JAMES H. MADOLE at 10 West 90th Street, New York, New York. Weekly meetings are held at this location on Thursday evenings.

The source described the NRP as an anti-Negro, anti-Semitic and neo-Fascist organization.

This source stated on July 28, 1966, that JAMES H. MADOLE, as of October, 1965, distributed a printed "program of the NRP", which program had as its announced purpose the establishment of a "Racial Nationalist State". According to the program, this would be accomplished by calling a Constitutional Convention to ratify the necessary amendments to the United States Constitution in order to carry out the NRP program for the establishment of a "Racial Nationalist State".

This source further advised that as of May 29, 1968, this "program of the NRP" remains in effect and that the anti-Negro and anti-Semitic nature of the NRP is exemplified by the following excerpts from this program:

1. Enact and rigidly enforce legislation to restrict the benefits of American citizenship to mentally and genetically sound members of the Caucasian race.

2. Enact legislation to prohibit intermarriage between white and non-white.

3. The Jewish race shall be deprived by suitable legislation of their American citizenship and shall henceforth be prohibited from holding any professional, political or educational posts within the Racial Nationalist State. The Jew constitutes an alien virus in our national bloodstream and, as such, he must be purged from our cultural, economic, and political life.

4. Enact legislation to hasten the repatriation of American Negroes to the newly independent black nations on the African continent under the auspices and guidance of black nationalist leadership in the United States.

APPENDIX

NATIONAL RENAISSANCE PARTY

5. The establishment of a selective immigration policy whose primary purpose is to attract the best European racial stock to the North American Continent in order to utilize their vast energy and talent in the task of creating a dynamic, expanding White Empire capable of withstanding the encroachments of the primitive, colored world led by the Oriental colossus, Red China.

NATIONAL STATES RIGHTS PARTY (NSRP)

On November 26, 1957, a source advised that the United White Party (UWP) was organized at a convention held in Knoxville, Tennessee, on November 10, 1957. An article in the November 26, 1957, issue of the "Greenville Piedmont", a newspaper of Greenville, South Carolina, reported "the recent formation of a new political party, to be known as the United White Party." According to the article, the party was formed at a recently held meeting in Knoxville, Tennessee, at which many klansmen were represented. The UWP was reported as being opposed to all "race mixing organizations and individuals."

The July, 1958, issue of "The Thunderbolt", self-described as the "official Racial Nationalist Organ of the National States Rights Party" (NSRP), reported that rank and file "States Righters" had merged with the UWP under "the banner of the National States Rights Party", with national offices at Post Office Box 261, Jeffersonville, Indiana.

In November, 1958, a source advised that NSRP is composed of past members of the Klan-type organizations and notorious anti-Semites.

Issue No. 19, dated June, 1960, of "The Thunderbolt" announced the address of the headquarters of the NSRP had been changed from Jeffersonville, Indiana, to Post Office Box 783, Birmingham, Alabama.

Issue No. 69, dated July, 1965, of "The Thunderbolt" announced the address of the new headquarters of the NSRP as Post Office Box 184, Augusta, Georgia.

On August 4, 1965, a source advised that EDWARD R. FIELDS, the Information Director of the NSRP and Editor of "The Thunderbolt", is the individual who actually controls the NSRP.

Issue No. 72, dated November, 1965, of "The Thunderbolt" reflects Dr. EDWARD R. FIELDS to be National Director of the NSRP as well as Editor of "The Thunderbolt".

"The Thunderbolt" continues to publish articles attacking Negroes and persons of the Jewish faith.

~~CONFIDENTIAL~~APPENDIX1.WHITE PARTY OF AMERICA

On September 16, 1965, [redacted] who identified himself as [redacted] the White Party of America (WPA), advised that he, along with several other former members of the American Nazi Party (ANP), formed the WPA during the early part of 1964, in order to advance the cause of the white man in the United States and eventually throughout the world.

b6
b7C

This organization was officially launched on April 11, 1964, when it sponsored picketing in Washington, D.C., Richmond, Virginia, and Baltimore, Maryland, in opposition to civil rights legislation and civil rights demonstrations. Its national headquarters was transferred from 1216 New York Avenue, N.W., Washington, D.C., to 1019 King Street, Alexandria, Virginia, on April 1, 1965.

It was initially the aim of the WPA to sponsor picketings and demonstrations where it was believed such would be of value and to publicize its program through pamphlets and similar media. The WPA has been inactive due to a lack of funds and its only publications to date have been the April and May, 1964, issues of its official publications, "The White Letter."

He added that the WPA is still in the formative stage but it will uphold the Constitution of the United States and will always act within the limits of the law. He noted that the WPA will serve as a "home for people who want to preserve the white race" and cannot find a home for themselves in either of the major political parties in the United States.

A characterization of the National Socialist White People's Party, also known as the American Nazi Party, is set out separately.

He noted that he was simply attempting to go on record with the FBI as being a civilian who was willing to assist the Bureau in any capacity at any time his assistance was needed. He advised that he was not seeking payment for his work. [REDACTED] noted that he had considered joining some radical group before advising the FBI of his real intentions but noted that he decided not to do this for fear of being "busted" before he had had an opportunity to make his intentions known. He advised that if the Bureau wished him to join a radical organization so that he could keep the Bureau advised of the group's activities he would be willing to do so.

..) I am interested in joining the NRP's uniformed section and doing my part
in taking part in open demonstrations for "WHITE POWER"

and supporting the NRP (non-uniform)

Are you rugged enough?

The National Renaissance Party which has the reputation of a direct action organization rather than a debating society or a right-wing letter writers club is addressing this recruitment leaflet to every physically fit White American between the ages of 16 and 40. The Security Echelon (SE) or uniformed section of the NRP is being organized to defend White neighborhoods from rampaging Black Mobs and to counteract the hordes of filthy Jewish Beatniks, sexual deviates, and Communist organizers whose "PEACE PARADES" in all major American cities are stabbing our heroic fighters in Vietnam between the shoulderblades.

The John Birch Society will not free America from these marching hordes of malcontents by writing letters to their Congressmen which are promptly filed in the waste paper basket or answered by form letters. The Conservatives and Billy James Hargis will not pray these marching columns of American Reds out of existence. NEARLY HALF THE WORLD HAS FALLEN UNDER THE RED BANNER AND STILL THESE NINCOMPOOPS KEEP HOLLERING OUT THEIR PRAYERS INTERSPERSED WITH FUND RAISING APPEALS.

Our elected officials will only pay heed to their right-wing constituents when they see the blood-crazed hordes of Black revolutionaries which have spread a reign of fear and terror in Los Angeles, Chicago, Cleveland, Philadelphia, Rochester etc. BEATEN INTO THE GROUND BY THOUSANDS OF EQUALLY FANATICAL YOUNG WHITE MEN IN THE GRAY, BLACK, AND GOLD UNIFORMS OF A MILITANT WHITE MAN'S PARTY. When Stokely Carmichael, Martin Luther King, Bayard Rustin, and their fanatical disciples who shriek "BURN BABY BURN" and LET'S KILL WHITEY" are driven back into their primitive BLACK environment by infuriated thousands of White youngsters shouting the rallying cry of "WHITE POWER" then American politicians will stop licking the boots of their Jewish taskmasters and help the NATIONAL RENAISSANCE PARTY to build a White Man's empire from the Arctic Ocean to the Gulf of Mexico.

Only uniformed masses of young WHITE PATRIOTS can hope to achieve the unity of purpose to force our politicians to mend their traitorous ways. Apply for an interview to join the Securi-

The only persons in the NRP for whom reports are submitted on a continuing basis are MADOLE and POTWOROWSKI.

OTHER ORGANIZATIONS

The headquarters of the Minutemen is in Norborne, Missouri. There is no local headquarters in the NYC area.

The National Coordinator of the Minutemen, ROBERT BOLIVAR DE PUGH, is the subject of IO #4176 issued 3/20/68 in connection with a Federal warrant issued at Seattle, Wash., on 2/20/68, charging DE PUGH with conspiracy to commit bank robberies. DE PUGH currently runs the Minutemen from "Minutemen Underground Headquarters." No officers are known to exist in the NYC area.

Local Minutemen groups are referred to as Networks which could consist of from one to approximately twelve persons. Individuals in the Network would be responsible to the Network Director who in turn is responsible to the national headquarters. [redacted]

[redacted] subject of NY file 100-161837, is known to have been designated a [redacted]. He is known to have received several identification numbers to be assigned to persons he recruited into his Network. On 9/27/68 he is known to have stated that he no longer has faith in the Minutemen because they did not continue to send him material nor did they contact him in any way. [redacted]

b6
b7C

The Minutemen arrested 10/30/66 by the NYCPD are still awaiting trial. They are not known to be collectively engaged in Minutemen type activities. One of the Minutemen arrested 10/30/66 is known to have indicated during October 1968, that the Minutemen desired to expose a "communist camp" through newspaper publicity to coincide with the second anniversary of their 10/30/66 arrest. The camp referred to was identified as the Old La Salle Riding Academy, Cherry Valley, N. Y.

NY 44-608

In accordance with SAC Letter 68-27E, dated 5/7/68, the NYO instituted investigation of known or suspected Minutemen. The total number of investigations currently pending or closed is approximately 120, the results of which are being furnished the Bureau by summary report, LHM or letter.

COUNTERINTELLIGENCE PROGRAM
DISRUPTION OF HATE GROUPS
RACIAL MATTERS - NATIONAL
RENAISSANCE PARTY

ReNYlet to Director, dated 8/29/68.

Re let reflected the National Renaissance Party (NRP), acts as a clearing house for individuals who are prone to violence, who are emotionally or mentally unstable and who would, under proper leadership, engage in militant acts. Under the leadership of JAMES H. MADOLE, such acts are not tolerated, and such individuals, if detected by MADOLE, are denied affiliation with the NRP.

The NRP continues to be ineffective as an organization, the informant coverage by present standards is adequate, and the organization continues to serve as a meeting place for persons who alone or in a concert with like minded individuals might perpetrate acts of violence if it were not for the restraining influence of MADOLE and his policy of nonviolence.

It continues to be the opinion of the NYO that any counterintelligence proposal against the NRP at this time would be unwarranted, and not serve the best interest of the Bureau in discharging it's responsibility in the Internal Security field.

UACB the NYO will review the status of the NRP with respect to this program on a six month basis, and advise the Bureau by letter on an annual basis, unless reason to the contrary exists.
